Comedy | Magic | Mayhem

Stage shows and roving acts

A little about...

The Trickstar seamlessly combines comedy & magic to excite and delight with sleight of hand, death defying stunts, whilst incorporating timeless old school magic tricks with a modern twist. Watch even the most jaded hipsters react in awe and amazement as trickery and comedy blend to produce a whirlwind of award winning entertainment never seen before.

Quality Entertainment

'The Trickstar' combines elements of slapstick comedy, circus skills, misdirection and magic to create a thoroughly original show that disarms, enchants and amazes. Having spent years entertaining children and adults alike, Trickstar has honed his craft and plays a variety of characters to trick, charm and stun with illusions that seem to come from nowhere but leave a lasting impression.

Dangerous stunts, magical comedy routines, and witty one liners are all delivered with a crazed energy that leaves you breathless and wanting more. Transitioning effortlessly between circus skills and inadvisable activities with sharp objects the Trickstar takes us on a wild ride of silliness, skill, laughter and adventure. Its a magi-comedy show you won't forget in a hurry.

Trickstar shows are customizable to best suit the audience. This may range from his kids 'Magic Fun Show' to his Adult show and anything in between.

Show Packages

Full production includes the show, sound and public liability insurance

Kids show. (length 45 minutes)

This is a comedy based magic / juggling show that incorporates audience interaction and is aimed for kids 5+ years (will definitely keep the parents amused also).

Family show. (length 45 minutes)

This is a hybrid of the children's show and adult show. Some higher skilled effects are added and some of the 'childish' routines are cut out from this performance.

Adult show. (length 45 minutes or 1 hour)

Trickstar offers a highly entertaining stand up comedy, magic & juggling performance. The show is well put together and Trickstar is able to customise his performance to best suit your event.

'Slightly Dangerous' show (length 45 minutes or 1 hour).

A combination of circus and side show stunts incorporating death defying acts that include the likes of nails, knives and spikes

High skilled juggle and balance routines with surprise effects that will have the audience on the edge of their seats. Trickstar is not the only performer as audience members join the stage and perform intricate balancing tricks they never thought possible.

This is a rollercoaster of skill and mayhem as Trickstar risks his perfectly good health in order to entertain in the strongest possible fashion.
